Kidnapped by a rival witch clan, Angela McAllister envisions a dark future for herself until she discovers her captor's brother is the unknown man who has haunted her dreams since she was a child. Forced to re-evaluate everything she's ever known about the Wilcox witches, Angela begins to explore the powerful connection that binds her to Connor Wilcox, despite the generations of hostility between their families and the disapproval of those closest to her. And when a dark, malignant force arises, Angela knows she must draw on her growing powers as prima to protect enemies and allies alike...even if her choice threatens to tear her new and fragile love apart.

Darknight is the second book in the Witches of Cleopatra Hill, a paranormal romance trilogy set in the haunted town of Jerome, Arizona.
