Christina Rossetti: A Biographical and Critical Study (Classic Reprint) Mackenzie Bell

Excerpt from Christina Rossetti: A Biographical and Critical Study

The writing of this book has given me peculiar pleasure. But far greater than the pleasure of its composition has been that of considering the various aspects of Christina Rossetti's work, and of contemplating her character as revealed therein. Perhaps my study may serve to some readers as an introduction to the writings of Christina Rossetti both as a poet and as a prose writer. Remembering this I have for the most part relinquished the functions of a critic and assumed the easier functions of an exponent.

Whatever are the shortcomings of my book-and none can feel these shortcomings more than myself-it may at least claim to be correct as to biographical fact, and further to be a useful guide to Christina Rossetti's voluminous writings, for it contains, in a series of chapters, a detailed analysis of all her books of poetry and prose.

About the Publisher

Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com

This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
