Heretics by G. K. Chesterton

G. K. Chesterton

Heretics by G. K. Chesterton G. K. Chesterton

Though he was on the whole a fun loving and gregarious man, during adolescence Chesterton was troubled by thoughts of suicide. In Christianity he found answers to many of the dilemmas and paradoxes of life. Throughout Heretics he provides a very personal critique of contemporary religious notions. His consistently engaging but often wayward humour is mixed liberally with daring flights of fancy and some startling turns of thought. A highly original collection of essays, providing an invaluable contribution to one of the major debates of the last century - one that continues to exercise leading thinkers in the present one.
