Predictions 2016 and Beyond: The Prophets Speak Betsey Lewis

Renowned intuitive Betsey Lewis's predictions continue to come true with amazing accuracy. Read about these cataclysmic changes coming to our planet and how to understand the signs and warnings.

Did Apostle John describe Planet X as Wormwood and the shift of Earth's axis in his visions two thousand years ago? Conspiracy theorists say yes! On January 20, 2016, the world was stunned when CalTech scientists Mike Brown and Konstantin Batygin held a press conference and said they had discovered a giant planet in our distant solar system, possibly the long-sought after Planet X. But NASA has known about Planet X, the size of Jupiter, since their announcement in a 1983 press conference which was suddenly retracted.

The Prophets through the centuries have given us similar apocalyptic visions of the future (St. Hildegard, Nostradamus, Edgar Cayce, Padre Pio, Black Elk, Billy Meier and ET abductees), but were those visions of a distant time line or events that will transpire in our lifetime? We live in precarious times where our world could be destroyed by the push a button or by our lack of respect for the environment. Can we prevent such a horrific events?

The Indigenous elders worldwide say the “Sky Beings” have told them that a great Earth cleansing is coming due to humanity’s greater orientation to the material world and technology and now the prophecies are being fulfilled. Already we are witnessing the signs—the opening of the Seventh Seal described by Apostle John: mysterious booms and horn-like sounds heard worldwide, sink holes forming and giant cracks in the Earth, animals and sea creatures dying, increased earthquake and volcanic activity and extreme weather. These are the signs we are going from the Fourth world into the Fifth world, they say.

Discover the predictions and prophecies through the centuries, and Betsey's own accurate predictions since childhood. Although the prophets describe a dire future, they say Earth’s changes will bring about an awakening of spiritual consciousness where a beautiful Golden Age awaits us.

*Betsey has the amazing gift of prophecy. She has proven time and time again how gifted she is, like my friend, psychic Armand Marcotte.— Ann Druffel, bestselling author of **The Tujunga Contacts***
