The Fox Princess Charlie Flowers

Riz is back! And on the warpath. . . Rizwan Sabir returns, on a last-ditch, desperate mission to find his fiancée, dead or alive. Do the Americans have her body? Is she in Gitmo or a "Black Site"? And what is going on with her avatar in cyberspace? Who or what is the Fox Princess? Nothing will get in Riz's way, as to a background of escalating tension and a countdown to a massive right-wing demo, the action takes us from London to Afghanistan, Paris and across Britain. Bad things are going to happen and the only people who can stop them are Riz and his gang. . . THE FOX PRINCESS. A sweeping rollercoaster ride into modern combat!'RIZ absolutely rocks! There are two kinds of thriller-writers: the ones who research it and the ones who live it. And every line of RIZ reeks with the raw authenticity of a writer who knows first-hand what the hell he's talking about, and isn't just making it up like the rest of us. Brilliant stuff. And you can quote me on all of that.'TOM CAIN
