NFL Brawler: A Player-Turned-Agent's Forty Years in the Bloody Trenches of the National Football League Ralph Cindrich

NFL Brawler is a raucous first-person account of an NFL under siege by the game's first player-turned-agent, Ralph Cindrich, the original "Blind Side" agent whose entertaining pro football memoir takes readers behind the scenes of the game's most important and outrageous drafts, deals, and trades; takes on NFL scandals by tellin' it like it is; and takes readers closer to the *real* action of the sport—from locker rooms to boardrooms, and into the worlds of agents and players—than any book to date.

Chronicling more than thirty years in the professional football business—on the field and in the locker room; in high-stakes negotiations with coaches, GMs, and owners; and inside agents' and players' personal lives—Cindrich, twice named by *The Sporting News* as one of the 100 most powerful people in sports, writes about a who's who of professional football: NFL personnel like Jimmy Johnson, Bill Polian and Bill Parcells; NFL owners like Art Rooney and Al Davis to Jerry Jones and others; sports agents; and of course NFL players like Herschel Walker, Bill Fralic, and James Farrior.

While taking certain aspects of his beloved sport to task, Cindrich's memoir is *entertaining*—blowing out of the water *Jerry Maguire*, *Arli\$\$*, and other portrayals of an agent's life.
