Pulp Friction: Uncovering the Golden Age of Gay Male Pulps

Michael Bronski

Pulp Friction: Uncovering the Golden Age of Gay Male Pulps Michael Bronski

Long before the rise of the modern gay movement, an unnoticed literary revolution was occurring, mostly between the covers of the cheaply produced pulp paperbacks of the post-World War II era. Cultural critic Michael Bronski collects a sampling of these now little-known gay erotic writings?some by writers long forgotten, some never known and a few now famous. Through them, Bronski challenges many long-held views of American postwar fiction and the rise of gay literature, as well as of the culture at large.
