The Conqueror (Via Romana) Mitchell Hayward

Rome, Italian Peninsula. 295 BC. The cogs of war grind again. And the Military is rebuilding itself into a much more swift and mighty beast. But politically, the situation has deteriorated, and the Italic tribes are displeased with the wilful Republic. Fidelis is hounded by the consequences of his former actions, deserting from the Nineteenth Legion only just two years into service, following the Battle of Volterra, against an Italic tribe that goes by the name – the Samnites. He is a simple and selfless man with a simple hope of what to make of his life. But there are two sides to Fidelis Princeps. He is caught between his two conflicting allegiances, which pressures the other with increasing friction, and tensions are boiling. He must choose his friends, his home, his battles, and he must choose his future. Via Romana - the Conqueror is a historic fiction on the early Roman expansions, wrapped with a personal story from the perspective of a remorseful deserter from the military, accurate war tales, erotica, comedy, and political intrigue.

From reader reviews:

Sharyl Nettles:

Nowadays reading books become more than want or need but also be a life style. This reading behavior give you lot of advantages. The advantages you got of course the knowledge the particular information inside the book which improve your knowledge and information. The info you get based on what kind of guide you read, if you want get more knowledge just go with schooling books but if you want really feel happy read one along with theme for entertaining such as comic or novel. The The Conqueror (Via Romana) is kind of e-book which is giving the reader unstable experience.

William Hughes:

Information is provisions for anyone to get better life, information currently can get by anyone on everywhere. The information can be a understanding or any news even a concern. What people must be consider any time those information which is inside the former life are hard to be find than now's taking seriously which one works to believe or which one the particular resource are convinced. If you receive the unstable resource then you get it as your main information there will be huge disadvantage for you. All of those possibilities will not happen inside you if you take The Conqueror (Via Romana) as the daily resource information.

Thomas Gonzalez:

Reading a reserve can be one of a lot of action that everyone in the world enjoys. Do you like reading book consequently. There are a lot of reasons why people fantastic. First reading a e-book will give you a lot of new details. When you read a e-book you will get new information because book is one of a number of ways to share the information or perhaps their idea. Second, looking at a book will make you more imaginative. When you examining a book especially fiction book the author will bring that you imagine the story how the character types do it anything. Third, you are able to share your knowledge to some others. When you read this The Conqueror (Via Romana), you are able to tells your family, friends and also soon about yours publication. Your knowledge can inspire the mediocre, make them reading a guide.

David Dabbs:

Many people spending their moment by playing outside having friends, fun activity together with family or just watching TV the whole day. You can have new activity to enjoy your whole day by reading a book. Ugh, do you think reading a book can actually hard because you have to bring the book everywhere? It alright you can have the e-book, having everywhere you want in your Cell phone. Like The Conqueror (Via Romana) which is keeping the e-book version. So , try out this book? Let's view.
