The Last Presbyterian?: Remembering the Faith of My Forebears

Kenneth L. Cuthbertson

The Last Presbyterian?: Remembering the Faith of My Forebears Kenneth L. Cuthbertson

In a time when organized religion is suffering an identity crisis, the author of *The Last Presbyterian?* examines the faith culture that shaped him and his family over the last half millennium. Filled with historical, theological, and spiritual reflections and set in the context of both old family stories and current trends, Cuthbertson's book addresses such timely issues as practicing faith within families, setting aside time for God, and the changing facets of leadership and discipleship within the Presbyterian tradition. Starting with the "Psalm-singing, Sabbath-keeping, Shorter-Catechism-memorizing" branches of Scots-American Presbyterianism, this book offers an affectionate look back, and a hopeful look ahead, to an emergent Presbyterianism coming to terms with issues such as LGBT ordination and same-gender marriage, interfaith relations, and care for the earth.
