Young, handsome Colin Whelan was a magnet for women, who always fell for his seductive charms. Little did they know that underneath his cool exterior lay a twisted desire to kill.

Behind the facade of normality lay a psychopathic mind struggling to control its homicidal urges. Having seduced and married his sweetheart Mary Gough, Whelan immediately began planning her brutal murder.

While his young wife dreamed of a love-filled marriage, Whelan searched the internet for information on serial killers and the methods they used to strangle their victims.

Compelling and disturbing, this book reveals how Whelan murdered his wife to claim a hefty life insurance policy, and how he faked his own suicide when he became the prime suspect for the murder.

Till Death Do Us Part offers a fascinating insight into the true motivation behind one of Ireland's most notorious murders, and is a horrifying story of love, lust, revenge and murder - all the more shocking because every word is true.
