The Book of Powers is the guide for discovering how to cultivate your Infinite Power, take back full control of your life, and unleash the mysteries of your full potential. Written from the unique yet casual, down-to-Earth, and humorous perspective of AJ Christoph, The Book of Powers is a life changing little book of “powers”; energies that will help expand your perception onto higher planes of consciousness, awareness and Universal Understanding. Additionally, the book goes into further detail describing this wonderful multidimensional “3D” reality that we call existence. AJ spares nothing in this exciting yet controversial little gem. AJ lays it out straight; in a way that is fun, easy to read, entertaining and in a way that can be described in one word "authentic." The book’s purpose is to provide some much needed universal balance and to assist humanity in understanding what “True Power” is, and what it is not. The Book also serves as a line of defense against all forms of “Corrupt Power”, and it will help the reader expose those who seek power and control over others. Most importantly, The Book of Powers is a catalyst of freedom, liberation & truth – it will help people step up and out of the “muck of stagnation” — so finally, at last we can all run free. Join the journey with AJ across various planes of existence, travel into other dimensions, discover the keys to unlocking your full potential, discover your true power, learn how to spot corrupt power, learn how to be more powerful than those who seek power over you, and finally understand that sometimes, just sometimes people may need to "get in a little trouble" in order to truly be strong. Self-Empowerment is not some "wishy-washy" love everyone and everyone is good mentality. True Power comes from acknowledging that you are infinite, universal, immortal, capable, and free beyond any limitation, and sometimes this means you may have to be a little bold in your attempts at deflecting the negativity of people who wish to sink you down along with the ship. The book first began Easter Sunday 2013, AJ woke up and wrote the first 7,000 words, he had no plan, no agenda, not even an idea other than the title of the book and that he knew he was the one that needed to write it. Now exactly two years later on Easter Sunday 2015, The Book of Powers is completed with a deeper meaning than it was ever originally perceived. It has transformed into a book of real meaning, real value, real understanding; it is a book of real power. True Power, and it radiates the Divine Spark of Truth that will cast away all darkness. The Book of Powers First Edition, published by Taijitu House Publishing Co. 2015
