Cherry Ames, veterans' nurse (Cherry Ames nurse stories) Helen Wells

Cherry Ames is back, just as you remember her! The books are just as you remember them, retaining the same look, feel, and sense of adventure and patriotism as when they were first published. With fully illustrated color covers and a soft-finished hardcover format just like the originals, these books will transport you back to the days when you were reading about this spunky young nurse. Series editor and registered nurse Harriet Forman was inspired by, and remains a devoted fan of, Cherry Ames: "...I was going to follow in her footsteps and become a nurse--nothing else would do. "The United States is still fighting World War II. Cherry Ames is still an Army Nurse, this time aloft--as a flight nurse. Cherry is reunited with her corpsman Bunce--the two of them are in sole charge of ferrying severely wounded men out of the battlefield and to the nearest Army hospital. Much to Pilot Wade Cooper's chagrin, he has been taken off bomber duty to fly the wounded to safety--until Cherry makes him see otherwise. Off duty, the nurses "adopt" 6-year-old Muriel Grainger, who has known nothing but war in her short life, and whose mother has been killed by the Germans. Her father is often out on mysterious errands that cause some to label him a "spy." Cherry makes it her risky business to find out if this is truth or rumor.
