When she stepped out of the cab she took off her flip flops and carried them as she moaned when she felt the warm sand between her toes and she kept walking. Looking up and down the beach she saw a secluded place that it looked like no one was going to venture to.

She went over to the spot and laid her blanket out, putting her on her sunglasses and her sunhat she laid down on the towel and took a deep breath, letting it out slowly she put a smile on her face and just laid there with her eyes closed.

Katrina was enjoying her time on the beach until someone had kicked sand onto her, when she opened her eyes she was about to say something when she saw that it was a tanned man that had his back to her, he had short brown hair and she loved how tanned his body was, how masculine he looked. She even licked her lips as she kept staring at him, that was until he turned around.
