Understanding Why Addicts Are Not All Alike: Recognizing the Types and How Their Differences Affect Intervention and Treatment Gary L. Fisher

A new understanding of substance abuse explores treatment issues based on subtypes of addicts, with a special focus on antisocial personality disorder and functional addiction.

- Case studies of real people that illustrate the three subtypes of addicts
- Offers specific intervention and treatment recommendations based on subtype
- Gives a firsthand look at actual functional addicts who continue to use illicit drugs
- Presents a realistic discussion of the poor prognosis for antisocial personality addicts and what can be done to manage this population
