Love (Penguin Classics) Stendhal, B. C. J. G Knight

Drawing on history, literature, and his own experience of unrequited passion, *Love* is a thinly disguised picture of the author's innermost feelings.

Stendahl's obsession with Mathilde Viscontini Dembowski is at the heart of this book. For her part, she neither returned his love nor understood him. In an attempt to explain his feelings to her—and to exorcize his love—he dissects his passion. Bringing together the conflicting sides of his nature, the deeply emotional and the coolly analytical, Stendhal constructed a work that is both acutely personal and universally applicable.

For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.
