"Now" is the third shocking, funny and heartbreaking book in Morris Gleitzman's "Second World War" series. Sometimes facing the past is the bravest act of all...Once I didn't know about my grandfather Felix's scary childhood. Then I found out what the Nazis did to his best friend Zelda. Now I understand why Felix does the things he does. At least he's got me. My name is Zelda too. This is our story. Now is the third in a series of children's novels about Felix, a Jewish orphan caught in the middle of the Holocaust, from Australian author Morris Gleitzman - author of "Bumface" and "Two Weeks with the Queen". The other books in the series, "Once, Then and After" are also available from Puffin.
