Pantomime Terror: Music and Politics John Hutnyk

Pantomime is a theatrical form that has come to rule our everyday lives as terror. In the early years of the 21st century, a dissembling political demonology has sometimes placed otherwise merely lyrical musicians in a volatile predicament. The discussion here is of Fun-da-Mental's Aki Nawaz portrayed as a 'suicide rapper', Asian Dub Foundation striking poses from the street in support of youth in Paris and Algiers, and M.I.A., born free fighting immigration crackdown with atrocity video. Along the way, bus bombs, comedy circuits, critical theory, Arabian Nights, Bradley Wiggins, Dinarzade, Karl Marx, Paris boulevards, Molotov, Mao, the Eiffel Tower, reserve armies, lists, Richard Wagner, Samina Malik, Slavoj Žižek, Freudian slips, red-heads, Guantanamo. The book offers some sharp critiques of our contemporary complacency, and the failures of theory as more than ten years of war on terror turns anxiety at home and drone-strike assassinations abroad into a normal everyday. This pantomime is a terror story told over and over to distract from the workings of a despotic power. The need for an adequate (winning) counter-narrative was never more clear.
