Saving Susanne - New Century Bride

The year 1900 is about to come in, a new century that would be filled with new adventures for Susanne Phillips. Confronted with false evidence that she had committed adultery and thrown out of her home by her husband of eight years, Drake, Susanne finds herself in a desperate situation. At the behest of her friends who gave her a home to stay in, she decides to make one of the biggest moves of her life – to travel to the other side of the country to start a new life. There is a man waiting there in the West who promises to care for her through her times of trouble and for the rest of her life. As his new bride, will she be able to find happiness? Will she ever be able to trust a man again? Or will he turn out to be just another brute, another liar, like Drake?
