100 mitos de la historia de Mexico (Spanish Edition) Francisco Martín Moreno

Existen sucesos oscuros detrás de las figuras de Miguel Hidalgo, Benito Juárez, Francisco Villa o Venustiano Carranza? Quiénes han construido nuestra patria: próceres o forajidos, luchadores incansables en favor de la justicia de México o dictadores terribles? Ha intervenido la iglesia en la política de México? Con la pluma filosa y espléndidamente documentada que lo caracteriza, Francisco Martín Moreno responde a estas y a otras muchas interrogantes relacionadas con la deslumbrante historia de México y sus zonas más tenebrosas; revela los verdaderos intereses de líderes y caudillos, las conjuras más atroces que marcaron nuestra Independencia, la Revolución y la Guerra Cristera; analiza los motivos reales de los asesinatos políticos y las resoluciones de la política mexicana ante la Guerra de Reforma, para sentenciar con voz potente: Por qué nos han ocultado siempre la verdad? 100 mitos de la historia de México rescata documentos fidedignos y disertaciones severas acerca de nuestras leyes, batallas, dominaciones y mandatos; apoyado en una bibliografía reveladora traza el verdadero rostro de nuestra nación y pone a nuestro alcance -por primera vez en una magna investigación- los grandes yerros de nuestros hombres de gobierno y las conspiraciones sangrientas, pero también la reseña de sus verdaderos héroes y los sucesos memorables de auténticos patriotas. Con esta obra, la historia oficial de México temblará de miedo.
