“I’m sorry, Mr. Hillwell. Your fated mate is dead.”

Samuel Hillwell is in mourning for a man he's never met. The handsome alpha waited too long to contact the Fated Date Agency. There was always a stock trade or a trip to Europe that seemed more important. His mate passed away just days before he reached out. As he goes into a downward spiral, questioning everything he's based his life on, he can only wish he'd had one night with his deceased omega.

Caden Grey is on the run. After surgically altering his face and travelling across the country, the former kindergarten teacher still can't stop looking over his shoulder for the people who want him dead. Now that he's arrived in Clover Grove, he should finally be able to take a breath. But he's just starting to get settled there when a dazzling man runs up to him. A man who knows Caden's previous name.

Will Samuel figure out the truth about the tormented omega? And if he gets into Caden's heart, will either of them be safe?
