“I am 10 years old and I downloaded this book on my kindle. It was amazing! Right away I was hooked. I could not put my kindle down! This book is literally the best book I have ever read in my entire life. Even if you did not know what minecraft is, it’s still a really awesome book and has lots of good stuff in it. Punchy is the best! Totally the best book ever!” – Joey (Georgia, USA)

“Anything that gets my kids to read is a good thing. I have twin 11 year olds that would rather watch the movie than read the book. I got this for them because I figured they could relate to the characters seeing, as they love to play Minecraft. It was well worth the money! The biggest problem that I had with this book is that they can’t wait to find out of Punchy and his friends have another adventure. They love superheroes and this was right in line with them. Think a kid friendly Avengers based in Minecraft. I love it! I’ll admit, I read it too. I found it entertaining. I’d highly recommend it!” – Mark (Manitoba, Canada)
