The Light (Morpheus Road Series) D. J. MacHale

Marshall Seaver is being haunted. It begins with mysterious sounds, a fleeting face outside a window, a rogue breeze — all things that can be explained away. That is, until he comes face-to-face with a character who only exists on the pages of a sketchbook — a character Marshall himself created. Marshall has no idea why he is being tormented by this forbidding creature, but he is quickly convinced it has something to do with his best friend, Cooper, who has gone missing. Together with Cooper's beautiful but aloof sister, Sydney, Marshall searches for the truth about his friend while ultimately uncovering a nightmare that is bigger and more frightening than he could ever have imagined. Number one New York Times bestselling author D. J. MacHale launches his eerie trilogy with a story so packed with chilling suspense, listeners will want to sleep with the light on.
