Lone Star Travel Guide to Central Texas (Lone Star Guides)

Richard Zelade

Lone Star Travel Guide to Central Texas (Lone Star Guides) Richard Zelade

Formerly a part of the popular Lone Star Guide to the Texas Hill Country, Central Texas now gets its own treatment in this up-to-date guide that includes history, folklore, and geography; detailed listings of lodgings, restaurants, and entertainment; major attractions, including state parks, museums, and historic places; directions, days and hours of operation, addresses, and phone numbers; and maps and calendar of events. Five tours take you from the Balcones Escarpment to "Central Texas Stew," a region of the state largely settled by Czechs and Germans in the early twentieth century.

The author apologizes for the lack of table of contents and index that seem to be absent in the Kindle edition. He is working with the publisher to remedy the problem. They are present in the paperback version.
