The Magic Labyrinth Philip José Farmer

Reissued to follow the Syfy Channel film of *Riverworld*, this fourth book in the classic Riverworld series continues the adventures of Samuel Clemens and Sir Richard Francis Burton as they travel through Farmer's strange and wonderful Riverworld, a place where everyone who ever lived is simultaneously resurrected along a single river valley that stretches over an entire planet. Famous characters from history abound.

Now Burton and Clemens, who have traveled for more than thirty years on two great ships, are about to reach the end of the River. But there is a religion, The Church of the Second Chance, that has grown up along the River and its adherents, possibly inspired by aliens, are determined to destroy the riverboats. A coming battle may destroy Burton and Clemens, but even if they survive, how can they penetrate the alien tower of the Ethicals, who created this astonishing world? What can humans do against a race capable of creating a world and resurrecting the entire human race on it?
