Before You're Laid Off: Take Action Now To Help Reduce Financial Stress Christina Haines

Many people are living one paycheck away from disaster. If they were to lose their job, they would be in a panic trying to figure out how to make ends meet. Maybe you are in the same situation.

Being laid off from a job comes as a surprise for most people. The financial stress of job loss is traumatic. You can help reduce the financial stress of a job loss by taking action now.

Saving for a rainy day may seem like common sense. However, the average employee does not always take the time to analyze their financial needs if they were to lose their job. This book will outline strategies which you can take to earn extra income part-time from home. You can then use the extra income to develop a financial safety net in the event of a job loss.

Don't let a layoff take you by surprise. Help yourself avoid the financial stress that a layoff can cause by taking action now.
