Have you ever wondered why Catholic and Orthodox believers "pray to the saints"? Is it Biblical? Can we talk to the dead in Christ? What of our deceased loved ones who have crossed over into eternity to be with God? Is this an aberration or perversion of Christian doctrine, or is there more than meets the eye? Could there be some value in entreating the dead in Christ to pray for those of us who are still here on earth? In this short mini-book, Mark Whitten puts to rest some major misconceptions that Protestants may have toward their more "catholic" brothers and sisters. Using his unique blend of simple logic and profound theological truth, he crafts a very palatable argument for all believers to invoke the Saints in Christian prayer.
