*T. J. Kline's Healing Harts series continues as a soldier suffering from PTSD and a therapy dog trainer find that some scars can only be healed by love*

Julia Hart knows how much good she does training therapy dogs—it's what helped her overcome her own trials after a relationship turned unexpectedly violent. But moving beyond her mistakes meant trusting only her family with her heart.

Dylan, a former soldier, has run out of hope for recovery. Plagued by nightmares and flashbacks, he doubts anything will help him overcome his PTSD. When his brother convinces him to try one last time, he agrees to get a therapy dog.

Dylan didn't expect to find Julia or a chance for a "normal" future again. But when Julia's attacker is released from prison, Dylan and Julia will have to face the past together.
