Code of Practice for Programme Management: In the Built Environment Chartered Institute of Building
The CIOB Code of Practice Programme Management for Construction & Development is intended to complement the popular CIOB Code of Practice for Project Management for Construction and Development, providing practical coverage of general processes and procedures to be followed when managing a construction programme or portfolio of projects. It sets out the necessary requirements for effective and efficient programme management, but is not intended to be a manual of operating procedures for the manager of such programmes.
