Ivy Dune knows how to survive.

Even when her paycheck-to-paycheck life is ripped from her by a vicious crimelord without a conscience, Ivy knows she'll do whatever it takes to make it to the other side alive.

Dax Harrow has made a living off of blood and pain...both in the ring and out.

As an enforcer for the most lethal family in California, Dax knows the bounds of loyalty and will do anything to pay back the debt he owes them, no matter the cost.

When Ivy is placed in Dax's care neither of them are prepared for the fallout.

As enemies close in around them, Ivy and Dax must be prepared for the fight of their lives.
