The Christian walk is a continuing journey through a life of grace and obedience. The destination is Jesus Himself; to be like Him as He is. I accepted Christ as my Lord and Savior in April of 1994. After my tears stopped and my eyes dried there was one thought in my mind, "Now what?" I was "saved" but I had no idea what I was supposed to do next or what that really meant. It is for this reason and for all those men and women out there who go through the same thing I did that I wrote, Now What? It is my sincere prayer and desire that through the aid of this book and study guide you will be able to grow strong in your walk with Jesus. I pray it will help guide you and direct you as you begin your journey as a soldier of Christ.
