LEARNZILLA is a helpful, practical annotated guide to 30 learning websites designed to help elementary students with reading, writing and math. All of the websites are FREE, fun, child-centred, easy to use, and are sure to engage children in the learning process.

Here are some of the reasons you might need LEARNZILLA:

- Your children need help with their homework and you need fast, FREE, and accessible learning resources to help build their skills...
- You want to keep the kids engaged learning during the summer months to help them retain and build on what they learned during the school year. But it is summer, so you want the learning to be fun...
- The report card is in and it wasn't quite what you had expected. You are starting to wonder if your child is keeping up in school but money is tight so a tutor is out of the question. Panic starts to set in...
- Your children are curious about the wonderful world around them and you would like to help them learn more but you don't know where to start...
- You are sick and tired of the kids watching TV and gaming. You have had enough and want them to spend some of their screen time doing something productive such as building their skills and learning new things...

If any (or all!) of these scenarios are familiar to you, then LEARNZILLA is the book for you!
