There's a murderer on the loose.

After losing the lawsuit against their biggest enemy, the shifters in Seattle's undercover unit are willing to take risks to bring down Purest, Inc. and Max Grady is the biggest risk taker of them all. With no family left and only his job to keep him company he has come to see the other men in his unit as brothers. He'll do anything to protect them. Even go undercover as a test subject for the evil corporation.

Ava Markette is a scientist. Everything in her world is numbers and charts. She can hear the screams of the test subjects through the vents of her lab but she knows the odds are against her. She has to follow orders, or else. When Grady meets Ava in the lab, he realizes that she is the only person at Purest worth saving, and he will do everything to get her out there before he cripples the organization permanently.

But can she shut off her brain and follow her heart?

This is a STANDALONE shifter romance with a HEA and NO Cliffhanger.
