Writing romance never prepared me for this.

When I got the go-ahead to write a biography on the brilliant and utterly gorgeous billionaire, Nick Valentine, I couldn't believe my luck. Not only was it a guaranteed best-seller, but it meant I got to spend an awful lot of personal time with the man of my dreams.

But in just one night, that dream threatened to turn into a nightmare when Nick revealed his deepest, darkest secret. There was a beast inside of him, one even my imagination had never dreamed up. And he was trusting me with it.

Is our love story Beauty and the Beast, or a cash cow that will guarantee my name in lights?

One thing is for certain: I can't have it both ways. I'm going to have to choose.
