LAPD homicide detective Peter Decker and his wife, Rina Lazarus, will be blindsided by a brutal multiple murder in this twisting tale of suspense from New York Times bestselling author Faye Kellerman.

Someone has broken into the exclusive Coyote Ranch compound of billionaire developer Guy Kaffey and viciously gunned him down, along with his wife and four employees. It doesn't take long for Peter and his trusted detectives to figure out that the gruesome killings must be an inside job. But was the job pure murder/robbery or something even more twisted? With leads taking the team across L.A., up and down the Golden State, and into Mexico, Decker is plenty busy—and plenty thankful not to have to worry about Rina getting caught up in this deadly case. Rina is out of harm's way, serving on a jury at the courthouse.

But then a chance encounter with a court translator who needs her help leads Rina into the terrifying heart of her husband's murder investigations—and straight into the path of a gang of ruthless killers. *Blindman's Bluff* is a riveting mile-a-minute thrill ride from a formidable master of her craft.
