Changing Careers in a Changing World Carrell Chadwell

Do you want to find a career that you really love? A few lucky people love what they do for a living. You can be one of those lucky people.

Whether you are ready for a career change, or a change has been forced on you by these turbulent economic times, this may be one of the most important turning points of your life. It is your chance to find work that you truly love.

This guide and workbook takes the guesswork out of identifying jobs that fully fit your personal needs. It offers numerous exercises and worksheets to help you assess what you need in a job in order for it to be deeply satisfying. Through these exercises, you will assess your interests, your personality strengths and weaknesses, and your values. You will develop a list of corresponding job needs. The book then provides a step-by-step process for identifying potential career choices that will fit those needs. By following these steps, you will KNOW that your next career choice will truly fit your interests, your strengths and weaknesses, and your personal values. Job-search strategies are outlined, to help you find and secure a job that fits the criteria you have developed through the process provided in this book.

Don't let your next job choice be hit-or-miss. Use this guidebook to make sure you choose a job that will be exactly right for you.
