Elise the Actress: Climax of the Civil War (1865) (Sisters in Time #13) Norma Jean Lutz

Time Period: Jan. 1864 - April 1865 With the nation convulsed by civil war, Elise Brannon wants people to look past the depressing news that arrives daily from the battlefields: Through her love of acting, she'll make them laugh and forget-at least for awhile. But even her optimism is challenged when a family friend dies from battle wounds. . .she's captured by a band of deserters. . .and President Lincoln is assassinated. Elise the Actress uses actual historical events to tell the poignant fictional story of a ten-year-old girl growing up in very trying times. It's an excellent tool for teaching both history and the Christian faith!
