I Don't Want to Kill You (John Cleaver) Dan Wells

John Cleaver has called a demon?literally called it on the phone?and challenged it to a fight. He's faced two monsters already, barely escaping with his life, and now he's done running; he's taking the fight to them. As he wades through the town's darkest secrets, searching for any sign of who the demon might be, one thing becomes all too clear: in a game of cat and mouse with a supernatural killer, *you* are always the mouse.

In *I Am Not a Serial Killer* we watched a budding sociopath break every rule he had to save his town from evil. In *Mr. Monster* we held our breath as he fought madly with himself, struggling to stay in control. Now John Wayne Cleaver has mastered his twisted talents and embraced his role as a killer of killers. *I Don't Want to Kill You* brings his story to a thundering climax of suspicion, mayhem, and death.

It's time to punish the guilty.

And in a town full of secrets, everyone is guilty of something.

"Fans of Jeff Lindsay's Dexter series will welcome [Dan] Wells's gripping debut."?Publishers Weekly on *I am Not a Serial Killer*
