A complex, adult epic fantasy from a new Australian author... original, dramatic, unputdownable...

*Some things are broken beyond mending...*

Grievously wounded in battle, Isidro's life hangs in the balance - but the only person who can help him is the man he can never trust. Sierra is desperate to rebuild shattered bonds with her old friends, but with Isidro incontrovertibly changed and her own wounds still fresh, things can never be as they once were.

Burdened by all he's done at Kell's command, Rasten knows he cannot atone for the horrors of his past. But when their enemies in Akhara follow Cam's small clan back to Ricalan, carrying a thirst for vengeance, the skills Rasten swore he'd renounce may be their only hope for victory...
