**The Enemy of My Enemy . . .**

Of the once innumerable battle clans of the Posleen only a handful survive. And that on the sufferance of a group of despised Indowy and Himmit. Plucked from the maelstrom on Earth they are cast out into the eternal blackness of the stars with only a slightly insane Indowy and a computer virus to guide them.

What follows is a trail of tears and remembrance as the Posleen retrace the footsteps of their ancestors in a search for their homeworld. A search to determine if the Posleen possess the one thing no Human would give them credit for: A soul.

Returned to their beginnings, the question remains: Is there a new path for the Tular Posleen?
