The world is full of wonderful things-vast deserts, rich and varied forests, magnificent river systems, island paradises-a cornucopia of soul-stirring, life-sustaining environmental wealth. Unfortunately, many people don't know how to find them! This is a unique refresher course in geography that brings the subject alive with: .A fascinating collection of facts .Maps-60 of them .14 separate brain-teasing quizzes-a total of 500 questions-to test your knowledge of the planet. .Tables, sidebars, and special short features on a wide variety of subjects. .A brief dictionary of geographical terms. So don't hesitate, plunge right in, but be careful. The facts in this book are a little like potato chips: It's hard to stop with just one. Lorelie L.
