A Guide to Symptom Relief in Palliative Care, 5th Edition Claud F. B. Regnard, J. M. Hockley

This practical guide for busy health and social care professionals outlines essential tasks and services for organisations and individual staff in relation to the implementation plan of the NHS Sexual Health Strategy. It covers the necessary training needs of staff offering tips and advice that can be integrated into the NHS work setting providing clear guidance on what practitioners practices and primary care organisations need to do to implement the strategy. This book will be invaluable for all those who have to give informed advice on sexual health in determining their training and learning needs and for delivering high quality sexual health services within their working environment.
