“I’m sorry... I just don’t think of you that way” Sound painfully familiar? I’m here from the trenches of date coaching to ensure that you never hear that again! There are no insincere tricks, gimmicks, lines, or routines in this book, only potent insight into the psychology of chemistry, attraction, and human interaction that you can implement to change your life today. Chemistry is the intoxicating feeling that love songs are written about. But for every person we have natural, flowing chemistry with, there are 4 others that we wish we did. What do you do if you aren’t clicking like you want to be? I’ll let you in on a powerful secret. Chemistry can be created and shaped with anyone, even from thin air – if you know how to do it. I’ll show you exactly how, through my 20 Chemistry Principles designed to instantly trigger attraction and build chemistry with any woman you desire, and you’ll be surprised at what really works. This book will give you the best dating advice, dating tips, and flirting advice you’ll ever learn, including: • The underlying triggers and biological basis behind chemistry and how you can use them to your advantage. • How to use any medium of communication (phone, text, face to face) to create attraction. • How to transform your presence into an experience for her. • How to embody a mindset that women gravitate towards. • Exactly what women mean when they use the word "creep" and how to avoid it! • How to avoid the friendzone and exactly how to bust out of it. • What vacation sex and shoplifting have in common with creating chemistry. • True spontaneity, winning "the game," staying dangerous, how to build sexual tension, logistics theory, and more... All summed up in a convenient cheat sheet at the end! Best of all, my Chemistry Principles aren’t just a set of abstract notions that sound good in theory. They each break down into extremely actionable steps, with over 170 vivid examples illustrating them all. Read and internalize this dating book for men, and your life will change drastically. Instead of residing in the friendzone, you’ll be able to generate chemistry and sexual attraction with any woman you choose. Your love life will never be the same, and neither will your friendships with women. Wouldn’t it be nice to have your pick of women, and create chemistry with the ones you want? Control your destiny and pick up a copy now! Be the man she can’t wait to tell her friends about! For more, Patrick King is at www.didshereply.com.
