Since colonizer Stephen F. Austin proposed hiring ten rangers "for the common defense" in 1823, the Texas Rangers have protected the Lone Star State from its enemies with dedication and fortitude. All across Texas are places where Rangers made history. From the Alamo to nearly forgotten graves and battle sites, important landmarks in the story of these legendary lawmen lie in every corner of the state. Historian and author Mike Cox reveals history hiding in plain sight and true tall tales of the world-famous Texas Rangers.
