**And Carry a Big Stick: A Siobhan Mckenna Story (Siobhan Mckenna Series Book 1)** Nicole Hatley  
Siobhan McKenna is in a tough spot.

It's hard to find your place in a family when you're adopted, especially if your adoptive parents are your grandparents, and your mother is now your sister and your aunts and uncles are now perturbed siblings dedicated to making sure you know you're not a real child—you're adopted. Add to that the impending divorce of those adoptive parents, a girl who knows where all the bodies are buried, and an implied ultimatum to choose a side and quickly, and it's almost not worth wriggling out of the straight jacket in the morning to start the day.

But all that matters to Siobhan now is a briefcase—her adoptive father's briefcase, filled with all the documents Mama needs to get an advantage in the divorce...and all that stands between her and it is the minefield that goes by the name of "Daddy."

---

## Based on a True Story

And Carry a Big Stick may appear like a work of fiction, but it's actually a small part of a memoir. Yes, my childhood was weird, yes I was an odd child, and yes my family was about as dysfunctional as they come. All names have been changed to protect the guilty and embarrassed, including my own.  
—S
