The groundbreaking series that Publishers Weekly said "could easily open a fresh new world of urban fantasy."

Shaman, Healer, Heretic

Even for a techno-shaman, a kachina in the bedroom isn't exactly part of the drill. When Olivia Lawson wakes to find one towering over her, she panics. A Hopi god visiting the real world isn't just wrong—it's impossible.

Or is it?

Left with few options, Olivia is forced to defy centuries of shaman prohibitions. As she and her allies risk everything in their bid for survival, Olivia ultimately learns that the rules are there for a reason and that breaking them has a terrible cost.

Shaman, Friend, Enemy

As Livvy's career soars, her personal life spirals downward. Broken bonds and lost love finally force her to confront the terrible secret of her beginning in shamanism. Despite being attacked by dark shamans and navigating a spiritual plane that seems out of control, Livvy's single-minded quest steers her into dangerous territory and puts her on a collision course with those dearest to her. No longer able to walk a fine line, Livvy discovers that when the one thing you need is the one thing you can't have—you'll risk everything.

Shaman, Sister, Sorceress

If techno-shaman Olivia Lawson thinks a trip to the Hopi mesas is the escape she needs, she is gravely mistaken. Formidable shamans draw her into a bitter and centuries-old conflict. But as prophecies turn deadly, even the gods of the Multiverse play their part and Livvy must choose—between this world and a new one, between action and acceptance, between duty and desire.

Shaman, Priestess, Pawn

In the heartland of the ancient Maya, techno-shaman Olivia Lawson isn't just an oddity, she's an outcast. But the ancient group she finds has an interest in SK that borders on obsession. As her search for knowledge goes inexplicably awry, the only constant is SK. But to Livvy's horror, their journey triggers an unexpected odyssey for him. Driven to find her own path, Livvy must accept that change isn't just hard, it's deadly.

Shaman, Lover, Warrior

Before the airliner can touch down, techno-shaman Olivia Lawson senses something is wrong in Los Angeles. The happy homecoming she and SK had envisioned evaporates without ever beginning. As Livvy struggles to hold on to loved ones, her past and future unexpectedly collide. Caught between the Multiverse and the real world, and saving herself or doing right, Livvy learns a final truth: the real measure of love isn't fighting for someone, it's dying for them.
