This reference book is so essential that, according to set designer Robin Wagner, "Broadway couldn't function without it!" Packed with more than 5,000 entries from across the country, THE ENTERTAINMENT SOURCEBOOK: 2003 is an insider's guide to finding any item imaginable, be it a Civil War sabre, a Greek fisherman's hat, authentic Amish clothing, 19th Century chandeliers or human skulls. Known in the industry simply as "The Green Book," the new edition comes in a handier size and is for sale at a new low price. In addition to hundreds of pages of "products and services," this edition features category listings, a company index, a product index, and appendices that include Web resources, support services, professional organizations and more. THE ENTERTAINMENT SOURCEBOOK is useful for anyone planning an event and especially indispensable for those who work in the theatre. Take it from Laura Koch, prop mistress for THE PRODUCERS, who says, "if you can't find it in this book, you don't need it in your show!"
