The Hunger Omnibus Edition (The Hunger 1-3) Jason Brant

Day One: A series of terrorist attacks spread a cloud of noxious gas over highly populated areas.

Day Two: Higher brain function erodes in those exposed to the gas. Their bodies begin to distort, faces distending, skin sallowing, teeth elongating.

Day Three: The infected disappear into the shadows, fleeing the harsh daylight which has begun to sear their flesh.

Day Four: The world is DEVoured.

DEVoured (THE HUNGER #1)

Life isn't kind to Lance York. A full-time job has eluded him for years, his wife loathes the sight of him, his bank accounts are empty, and his wealthy father-in-law revels in his failures.

After he lunges in front of a car to save a sick and disoriented woman, Lance awakens in a quarantined hospital. A devastating plague is spreading worldwide, driving those infected with it insane. Their bodies begin to mutate into horrors that have haunted mankind's nightmares for centuries.

The world descends into chaos as the infected flee to the shadows, emerging at night to devour the remnants of civilization.

With the help of an unlikely ally, Lance must navigate through the collapsing city of Pittsburgh, striving to escape the madness of the apocalypse that unfolds around them.

CONSUMED (THE HUNGER #2)

Nestled in the Appalachian Mountains and dissected by three rivers, Pittsburgh, Pennsylvania is an idyllic city. It's quiet, the traffic is nonexistent, and floating down the Allegheny River on a boat is peaceful and serene.

It's perfect... as long as you can ignore the mindless monstrosities roaming the streets, vampires ruling the night, and the insane, power-hungry human survivors. Mankind has devolved, mutating into mindless horrors. Only weeks ago, they built skyscrapers and traveled to space. Now they attack anything with flesh, driven by the never-ending desire to consume.

Lance York, and his unlikely companion Cass, have survived the apocalypse. Much to their surprise, that was the easy part. They've fled the city, struggling to find food and shelter, fighting against the nightmarish infected and the militant living, willing themselves to endure through each day.

The world has collapsed, but the fight has just begun.

RAVAGED (THE HUNGER #3)

Welcome to the mountains of Pennsylvania, one of the last vestiges of the human race.

Lance York, a self-described loser in another life, has rediscovered himself in the midst of the apocalypse. Along with a cadre of other survivors, including the hardened, sexy Cass, Lance has taken refuge in a compound, struggling to survive the onslaught of monstrosities descending upon them each night.

The horrors that have devoured mankind are changing, their minds rebooting like a computer. Intelligence, the lone advantage of the humans, is returning to the infected. They ravage the compound with calculated, precise strikes, chiseling away at the defenses Lance and his friends have erected.

With the help of new ally, Major Frank Colt, the flickering flame of the old world must fight to stave off the extinguishing tidal wave of the new one.
