'Drink Fuck Sleep' is a collection of essays depicting regrettable sexual experiences wherein alcohol was involved either before, during, or after. With gripping, personal accounts of tragic, heart-wrenching, sexually boundless, ultra-erotic, emotionally numbing, mind thrilling, and scintillating experiences, the featured writers narrow the divide between what people project and what they protect. It serves as a series of precautionary tales, as well as proof of life and the parallels of the human condition, regardless of our socioeconomic stations.
