A Valentine date gone wrong is the start of a romance for the ages.

Ian has seen a lot in his time, but the lovely doctor he's been assigned to follow calls to him like no other woman. Jena has had a hard introduction to the world of vampires, and she knows Ian is watching to make sure she keeps their secret.

Night after night, she feels his presence until finally, on Valentine's night, she invites him in for a drink after her date for the evening goes terribly wrong. But once she invites the vampire in, she might just be tempted to keep him...forever.

Note: This novella was first published in 2007 with a different cover and ISBN number. It has been lightly edited for this, the 2nd edition.

The Brotherhood of Blood series consists of the novellas: One & Only, Rare Vintage, and Phantom Desires, plus the crossover novel Sweeter Than Wine, and then this novella, followed by the novels Wolf Hills and Wolf Quest. The series is related to the Tales of the Were series and all its associated sub-series, sharing characters and situations with those books, which each series and sub-series follows its own group of characters and situations.
