Ten years ago, on a warm sunny day,  
Two villains drained all the colors away.  
Red, yellow, orange, purple, and blue,  
All of these colors vanished from view.

But in the far end of town on the top of a hill  
Lived a girl with a wagon (once red)-she was Jill.  
Although she was only nine years to the day  
Jill knew it was wrong to make everything gray.  
All colors were precious, worth much more than jewels.  
She'd rescue them soon from those two evil fools!

How does Jill do this? If you'd like to know,  
Then please come along to the town of Monroe.  
Jill's found a treasure and she's leading a troop,  
And maybe you'd like to be part of the group!
